Erratum to Nucl.Phys.B468 (1996)3:

In the comparison of J/ψ and ρ meson production, the errors in the ratio of the $J/\psi : \rho$ cross section given in the text at the end of section 7.1 are incorrect. The correct values are as follows:

ratio	stat.	sys.	
0.64	$\pm$ 0.24	$\pm$ 0.12	at Q^2 = 10 GeV^2
1.3	$\pm$ 0.4	$\pm$ 0.2	at Q^2 = 20 GeV^2
